The 2026 Long Island PHA
Horse Show

The Long Island PHA

The Long Island Professional Horsemen's Association is one of sixteen nationwide chapters that make up the National PHA. The purpose of the LIPHA is to serve the needs of Long Island's professional horsemen and exhibitors, as well as to give aid to members in need.

The annual LIPHA horse show benefits a Scholarship Program offered to Professional, Associate and Junior members attending college or trade school.

The LIPHA strives to raise the quality of horse shows and education on Long Island by offering point classes in divisions in which members can compete for year-end awards, as well as multiple learning opportunities throughout the year by ways of online and in person seminars and clinics.

Through these programs, the LIPHA promotes good sportsmanship and ethical conduct as well as fosters a healthy environment in which both children and adults may enjoy the sport of horses.
